## CALVIN COOLIDGE ON DEFERRED GIFTS

"To place your name, by gift or bequest\*, in the keeping of an active university or college is to be sure that the name and project with which it is associated will continue down the centuries to quicken the minds and hearts of youth and thus make a permanent contribution to the welfare of humanity."

\*During the period 1957-67 Princeton University was bequeathed sixty million dollars by alumni and friends.

OU's record for the same period was not as impressive. However, we haven't been around as long as Princeton. Give us time.

Bob Harris, Director/  
 Deferred Gifts
