Matching Gifts

Corporate support to higher education has become a major phase of this support is the matching gift program.

DOES YOUR COMPANY HAVE A MATCHING GIFT PROGRAM? If you mean twice as much to OU. Although programs differ, the matching gift program is simple. When an employer gives a gift to his alma mater, the company matches the gift.

If your company is listed below, please enclose a matching gift certificate. Don't miss the opportunity to double your gift to the University of Oklahoma. Companies listed in all capitals are those which match.
