

# In a Place of Honor

The honorees listed below will have their names inscribed on the small, brass plaques attached to the refurbished chairs in the newly renovated Great Reading Room of Bizzell Memorial Library. As of March 23, 1994, contributions of \$95 each had been received by the University of Oklahoma Foundation to sponsor 183 of the 200 chairs. Although only the honoree's name appears here, (alphabetically by type of heading) the complete inscription requested by the donor will appear on the plaque. Several individuals were recognized with more than one chair, and some donors have yet to specify honorees.
