**A** SNOWY CHRISTMAS PAST—Sooners can only hope that winter brings a snow as picturesque as this scene from the University of Oklahoma 2004 Calendar. The snowman was an impromptu student addition to last year's traditional holiday decorations at the David A. Burr Park gazebo. Proceeds from the annual calendar, produced by the Office of Development and OU Printing Services, benefit landscaping activities on the Norman, Health Sciences Center and Schusterman Center campuses. The \$10 calendars are available by contacting Rebecca Tramel at 405/325-7873, email [btramel@ou.edu](mailto:btramel@ou.edu), or through the Alumni Web page at [www.ou.edu](http://www.ou.edu), under "services/novelty."
