**"POSTSCRIPT: CREATING THE PE-ET CLOCKS"** — Sawdust flies as sawyer Curt Brooks, right, cuts sections from the Pe-Et Elm into planks that will become part of the handcrafted grandfather clocks destined for the OU President's office and Bizzell Memorial Library. Overseeing the operation at left is Regents Professor of Economics Alexander Holmes, a skilled woodworker who built the clocks at the request of the senior honorary society. See Page 32.
