CALLING ON BOYD HOUSE – The Model A Ford was a familiar sight around Norman when William Bennett Bizzell was president of the University of Oklahoma—not so much when the Model A Ford Club of Dallas came to call on Memorial Day, 2010. The David Borens were not home to greet the group but invited the members to park in front of Boyd House while they took a self-guided walking tour of the campus. The club, whose membership includes OU graduate Nancy Sanders and her husband, Neal, promotes the restoration and preservation of the automobile produced between 1928 and 1931 by the Ford Motor Company.
