

IN EVERY ISSUE —

- 2 *Sooner Shorts* • News and Events
- 4 *Your Letters*
- 16 *Sooner Nation* • Forever Young: The life of organist, doctor, photographer and pilot Dorothy Young Riess
- 26 *The Big Idea* • How can busy members of the OU community adopt a healthier lifestyle?
- 33 *Epilogue* • The Baker Man

On the Cover • There are between 1.5 and 5 million species of fungi in the world. Some ruin your leftovers while others produce compounds for game-changing medicines like penicillin. OU's Natural Products Discovery Group studies thousands of fungus samples in the hope of discovering new chemical compounds that could develop into medical cures of the future. *Story page 6*
