**On the Cover** • OU President David L. and First Lady Molly Shi Boren react to the unveiling of a photograph of a statue in honor of the retiring president during festivities in April. The statue, funded by longtime OU supporter Curtis Mewbourne and sculpted by artist-in-residence Paul Moore, has been installed just west of Oklahoma Memorial Union. This issue of *Sooner Magazine* looks at the Boren years and the legacy they leave behind. Photo by Travis Caperton.
