IN EVERY ISSUE —

- 2 Sooner Shorts** • News and Events
- 14 Sooner Nation** • Steve Lovelace pushes past a debilitating spinal injury to become a pioneer in triathlons and paratriathlons.
- 22 The Big Idea** • How can scientists and citizen volunteers count migrating birds that mostly travel at night?
- 32 Lest We Forget** • . . . Yoshi Kazu Sasaki: Oklahoma's pioneering weatherman.
- 33 Epilogue** • Immortals: Lucious, Dewey and Lee Roy Selmon

On the Cover • Leaving your college student—and your heart—at OU each fall became a little easier thanks to OU Parent and Family Programs, which helps families connect to vital student resources and information. Story on pg. 4. Photo by Travis Caperton
