

# Epilogue

Travis Caperton

**Sooner Scoop** - Get the inside track on all things OU by downloading *Conversations with the President*, a monthly podcast hosted by President Joseph Harroz Jr. covering student life, athletics and more. Topics have ranged from the 50<sup>th</sup> anniversary of Title IX with OU softball coach Patty Gasso—seen here—to the future of biomedical engineering with Stephenson School of Biomedical Engineering founder and chair Michael Detamore, and the \$2 billion “Lead On: The University of Oklahoma’s Campaign for the Future” with co-chairs Jonny and Brenda Jones. “Conversations with the President” is available on Apple and Spotify. To subscribe, visit <https://ou.edu/president/podcast>.
