Who's Who On the Campus

One of the reasons why Oklahoma University has been marvelously successful in polo competition with other colleges and universities throughout the United States, is Bob Hert, Perkins, who consistently does his share of the scoring.

During the past twenty-eight polo games, the Sooners have lost only two, losing those recently at the end of a road trip, to Missouri University by a score of 13 to 5,

Robert L. "Bob" Hert

and 8 to 5, after the Oklahoma team had decisively defeated the strong Iowa State team 6 to 3, and 9 to 0.

"Bob" is playing his second year on the team, and is also president of the Polo Riding Association. He is a member of Blue Key, Scabbard and Blade, honorary military society, and a Junior in law.

Two more teams will be met this fall, Texas University coming to Norman during the first part of November, and then a final engagement with the New Mexico Military Institute, at Roswell. The big season of the polo year is Spring, when it vies successfully with baseball for attendance at athletic events.
