

## These we hail

Here we present the royalty of the nineteenth annual St. Patrick's celebration of the University of Oklahoma college of engineering. Resplendent in all the glory of the occasion they typify a genuine attitude of the Spirit of the Engineers.

Engineers pay homage to Marian Mills, '34, arts-sc., Norman, member of Delta Gamma, and to Ray «Red» Lynch '32, civil engineering, Oklahoma City. Mr Lynch is a member of Sigma Tau, St. Pat's council and float committee. These two Sooners have been endowed with the highest honors, by virtue of popular acclaim of the engineers
