Uncle Sam is a big help to Santa Claus

He's making it possible for you to shop and still avoid the surging crowds that shop at Kerr's during the Christmas season. He's making it possible for you to send in your orders and to have them filled the same day (through the assistance of Kerr's extremely capable Personal Shoppers). He's making it possible for you to save hours of your valuable time during this busy time of year, saving time by shopping for all your needs under this one broad roof of Kerr's.
