Homecoming!

THE day when the old grads return to the scene of their undergraduate days, to meet old friends and discuss old times—and to see the latest edition of Coach Hardage's Sooners in the greatest game of the season against the Jayhawks.

When the handclaps have been exchanged, when the crowd assembles in the two great wings of the stadium, when the teams line up for the kickoff and a hush falls over the stands—that's Homecoming.

Don't miss it. Write, wire or phone to Ben G. Owen for reservations now.
