

Here are seven outstanding honorary organizations connected with the college of engineering. Each of the groups is particularly interested in some phase of engineering. In the opposite column are Tau Beta Pi, honorary engineering fraternity; Tau Omega, honorary aeronautical fraternity; St. Pat's Council, comprised of outstanding students who are in charge of the annual celebration; Sigma Tau, honorary engineering fraternity. Above are Alpha Chi Sigma, honorary chemistry fraternity; Sigma Gamma Epsilon, honorary geological fraternity; and Delta Beta Chi, honorary architectural fraternity.
