# Who's Who On the Campus

Leon C. "Red" Phillips, Okemah, speaker of the state house of representatives and graduate of the University in the law class of 1916, is wishing LeRoy "Rob" Robison, Sooner football ace, "good luck" before

one of the Sooner games during the past season.

Robison, a backfield man, completed his last year of eligibility as a Sooner gridman during the season and was one of the backfield dependables.

Robison was given honorable mention on an all-American Pi Kappa Alpha team. His home is in Clarksville, Arkansas, where his father is a newspaper editor.

Rob returned to the University last fall with a wife and both are enrolled for work this semester. He is a member of Pi Kappa Alpha and is prominent on the campus, especially in sports competition.
