

Interscholastic Track Meet

TWO state records were broken, one tied, one meet record surpassed and two new hurdle marks created in the senior high division of the thirty-first annual Oklahoma Interscholastic meet here.

Bob Hunt, Oklahoma City Classen, high-jumped 6 feet 4 inches for a new state record. Oklahoma City Central's 880-yard relay quartet of Wingfield, Ferguson, Holcolmb and Bell did 1:32.2 to smash the old state mark. Paul Sanders, Central ace, did 49.4 in the 440-yard dash to tie the state mark and Liles, Cooperton, ran the mile in 4:32.2 to set a new meet mark.

One record was tied in the junior high division, the Shawnee 880-yard relay team of Sullivan, Fleming, Stuart and Ott doing 1:38.6 to tie Ponca City's 1931 mark.

SENIOR HIGH RECORDS

- 100 yards—9.6 by Mathews, Chickasha, 1933.
- 220 yards—21.2 by Mathews, Chickasha, 1933 and 1934.
- 440 yards—49.4 by Sanders, Oklahoma City Central, 1935.
- *880 yards—1:59 by Moody, Tulsa, 1930.
- *Mile run—4:32.2 by Liles, Cooperton, 1935.
- *120 yards high hurdles (3ft.6in.)—14.8 by Nelson, Norman, 1933.
- 220 yards low hurdles—24 by Cope, Oklahoma City Classen, 1933.
- 120 yards high hurdles (3ft.3in.)—15.1 by Sparkman, Waurika, 1935.
- 200 yards low hurdles—22.8 by Powers, Lawton, 1935.
- 880 yards relay—1:32.2 by Wingfield, Ferguson, Holcolmb, Bell, Oklahoma City Central, 1935.

Mile relay—3:27.4 by Wren, Terneus, Wingfield, Sanders, Oklahoma City Central, 1934.

High jump—6ft.4in. by Hunt, Oklahoma City Classen, 1935.

*Broad jump—22ft.9in. by Gregory, Edmond, 1933.

Pole vault—12ft.6 $\frac{3}{8}$ in. by Stewart, Blackwell, 1934.

Shot put—54ft.7 $\frac{1}{2}$ in. by Tichenor, Nowata, 1931.

*Discus—127ft.1in. by Howell, Nowata, 1926.

*Javelin—192ft.11 $\frac{1}{4}$ in. by Jones, Walters, 1933.

*Meet record only.

JUNIOR HIGH RECORDS

- 75 yards—7.8 by Britton, Cleveland, 1934.
- 120 yards—12.1 by Britton, Cleveland, 1934.
- 880 yards—2:4.2 by Thomas, Claypool, 1931.
- 120 yards low hurdles—14.8 by Hiner, Edmond, 1934.
- 880 yards relay—1:38.6 by Kanelahos, Baird, Wittmer, Brown, Ponca City, 1931 and Sullivan, Fleming, Stuart, Ott, Shawnee, 1935.
- High jump—5ft.7 $\frac{1}{2}$ in. by Perryman, Victory, 1934.
- Broad jump—21ft.4 $\frac{1}{2}$ in. by Lowery, Lawton, 1933.
- Pole vault—11ft. by Thomas, Claypool, 1931.
- Shot put—55ft.10in. by E. Wright, Waurika, 1932 (8-pound shot).
- Discus—142ft.1in. by Burchell, Walters, 1933 (junior size).
- Javelin—153ft.8in. by Beal, Blackwell, 1930.

The Next Biennium

THE biennium beginning July 1, 1935, promises to be an interesting one for alumni and friends of the University of Oklahoma.

During the two-year period, the University will be permitted to operate on a slightly higher budget than it did during the past biennium which held the distinction of standing as the years in which the per capita cost was the lowest in the history of the school.

With anything like a normal enrollment increase next year and the following year, the per capita cost for 1935 to 1937 probably will be even lower than that of the past two years.

The appropriation for last year was \$1,000,000. For the coming year it will be \$1,038,200. The budget request of the University board of regents was for \$1,290,625.55. These figures are for salaries and maintenance of the University alone.

Several items, outside of regular salary and maintenance appropriations, will be included on the budget for the year.

An appropriation of \$17,172 was voted to buy the forty acres of land joining the campus which is being held for the University without profit by ten alumni and faculty members after it was purchased last summer at an unusually reasonable price.

The school of petroleum engineering

will be given \$40,000 during the year to procure new equipment. Another \$10,000 has been appropriated for the second half of the biennium. Items of \$30,000 and \$28,000 will be spent to purchase a new boiler and a new turbine for the utilities department.

The reestablishment of the Geological Survey also is included in the appropriation voted by the legislature. An appropriation of \$250,000 for the construction of a Business Administration building completes the budget for the year. A bill for the establishment of a book bindery at the University failed to pass the house of representatives after being passed by the senate.

The items approved for the University for the next biennium follow:

University of Oklahoma Salaries and Maintenance		
Salaries	\$810,000	\$810,000
Maintenance	228,200	228,200
Total	\$1,038,200	\$1,038,200
Other Items		
Boiler	30,000	-----
Turbine	28,000	-----
New land	17,172	-----
Petr. Eng. Equip.	40,000	10,000
Building—College	-----	-----
of Bus. Adm.	250,000	-----
Geological Survey	28,850	33,150
