Two Valuable Alumni Services

For Graduates
For School Executives

The Teachers Placement Bureau is maintained by the Alumni Association in its Oklahoma Union office to mutually benefit graduates of Oklahoma who are teachers and also to aid school executives who are in need of teachers.

The service is free to both parties. More than three hundred names of graduates are in the active file seeking positions. All of the details concerning the applicants are recorded on the files.

Numerous requests for teachers are directed to the Alumni office from school executives, not only in Oklahoma but in neighboring states.

The Teachers Placement Bureau is just one of the many services of the University of Oklahoma Alumni Association. Scores of teachers are placed in teaching positions through the Bureau every year. Scores of school executives find the Bureau efficient, dependable and convenient. The number who are relying upon it is ever increasing.
