*The Answers Before You
Are Asked The Questions*

NEWS-WEEK, the illustrated news magazine, is two publications in one. In 90 minutes reading and seeing time a week it brings you the significant news of all the world in picture and word.

And NEWS-WEEK does not merely report what happened, but accurately and without bias it gives you a real understanding of how things happened and why they happened.

If you don't already know NEWS-WEEK, don't fail to take advantage of the special introductory offer on the opposite page — 20 weeks for \$1, a saving of \$1 over the single issue price of 10c a copy.

You'll learn the answers to questions that rise in your own mind as well as the answers to the questions others ask you.

FOR PEOPLE WITH

Educated Palates

AND DELICATELY BALANCED BUDGETS

FOR THOSE OF US who like to keep our budgets in equilibrium, without giving up the little niceties of life, French Line ships offer the ideal ocean-crossing.

Every detail of existence is worked out to perfection . . . for the French add that ultimate touch, that final flourish which transforms excellence into distinction. And at no extra cost.

On French Line ships, you find a menu so varied that it could be matched only in five or six of the greatest restaurants of the world. An epicure . . . and who of us is not a student of that enchanting science, gastronomy? . . . may well devote the four to six days of a French Line crossing to advanced research. And with each meal we offer

you, with our compliments, a bottle of sound table wine.

The discipline and tradition of a thousand years of Breton and Norman seafaring make a firm foundation for the suave service and civilized comfort of our modern fleet.

Your Travel Agent will be glad to arrange reservations on any of our five crack liners (averaging less than eight years in service) running weekly from New York to England and France. His services cost you nothing. It is advisable to make early reservations this year.

"TURRET TOP, NO DRAFT VENTILATION,
KNEE-ACTION, HYDRAULIC BRAKES AND THAT GAL!
WHAT MORE COULD YOU WANT IN A CAR?"

You may be satisfied, but General Motors is going to keep right on trying to beat its share of this combination. That's the fortunate advantage of having the vast resources to keep on pioneering—and a demand for its cars vast enough to enable the production of new things at a price that fits the average pocketbook.

The Test of an Investment

- ✓ Security Offered
- ✓ Financial Returns
- ✓ Future Possibilities

You consider all these points in making a money investment. It's even more important to consider them when investing years of effort to build a career.

Because of the way life underwriting "checks" on all three counts, increasing numbers of college graduates are entering this business. Those selected by The Penn Mutual Life Insurance Company can start their careers on a fixed compensation basis, instead of a commission basis, if they wish.

"Did you ever see THIS before?"

INCONSPICUOUS but important is the name "Western Electric" on your telephone.

You may never have noticed it, yet it has been there for years. And it has a great deal to do with the quality and low cost of telephone service.

Western Electric has been making Bell System equipment for over half a century. Its specialized production and purchasing have enabled the operating companies in the Bell System to buy equipment and supplies of the highest quality at reasonable prices.

Western Electric serves further by maintaining a nation-wide system for the rapid delivery of material and apparatus. This is an important factor in providing good telephone service from day to day and speeding its restoration in time of fire, flood or other emergency.

Western Electric is an integral part of the Bell System and has the same objectives as the rest of the organization. It plays its part in making telephone service dependable, efficient and inexpensive.
