'26 Makes Big Gain

THE CLASS of 1926 jumped ahead of five other classes in the Life Membership standings as a result of memberships taken out in January by three members of this class.

The three are Ralph F. "Cy" Ellinger, '26as, banker at Purcell; Frank C. Morris, who graduated with an architectural degree in 1926 and took another degree in 1930, now instructor in engineering drawing; and Roscoe Cate, '26as, editor of The Sooner Magazine.

These three additional ones give the Class of '26 a total of seven Life Memberships to its credit, and boost the group above the Classes of '16, '11, '24, '19 and '17 in the Life Membership ranking.

A life membership in the University of Oklahoma Association costs only sixty dollars, payable either in a lump sum or five dollars a quarter. All such payments go into the life membership fund which is invested in high grade securities under the direction of Trustees E. R. Newby, Tom F. Carey and Neil R. Johnson. Only the income from the principal can be used for Association operating expenses.

The life membership plan is a sound, practical method of financing the association's activities, including the Sooner Magazine, Teachers Placement Bureau and other activities, and is a convenience and an actual economy to alumni and former students who want to maintain their association with the University and with other alumni.

Boost your class in membership rating by making your first payment or a payment in full today to
