A Law Alumni Directory

Containing All O. U. Alumni in the Legal Profession

Classified both alphabetically and geographically

A complete directory of O.U. alumni who are in the legal profession will be published in the August issue of *The Sooner Magazine*. There will be an alphabetical list of all graduates of the University of Oklahoma Law School, and also a geographical classification.

Inquiry cards are being sent to every alumnus on record in order that the directory information will be as up-to-date as is humanly possible. If any have been missed, they should send information about themselves to the Alumni Office immediately, using the form below.

The Law Alumni Directory will be of special value to members of the legal profession for the geographical classification, which will make it possible to get in touch with an O.U. attorney in nearly any city in Oklahoma and in many cities of the United States. The alphabetical directory also will have many obvious uses.

Because the alumni body of the University of Oklahoma has grown so large (it has approximately doubled in the last eight years), the expense of attempting a complete directory of *all* alumni would be almost prohibitive. The Alumni Association therefore plans to publish a series of directories of individual schools and colleges. Those wishing a directory of all alumni should assemble all of the units as they appear. As the directories will be published in *The Sooner Magazine*, all paid members of the Association will receive them. If you are not already a member, send a \$3.00 check at once and your *Sooner Magazine* subscription, including the Law Alumni Directory, will start at once. A limited number of extra copies of the Law Directory will be available at \$1.00 each, but orders for these should be placed in advance. Use the form below.
