This list contains all graduates of the College of Engineering of the University of Oklahoma. For purposes of this directory, only degrees conferred by the College of Engineering were considered engineering degrees. Degrees received from the University of Oklahoma, mail address, and occupation (if known to the Alumni Office) are given in this alphabetical list. If no address is given after a name, it means that mail has been returned as undeliverable from the last address on file in the Alumni Office. Abbreviations used for degrees include: CE, Civil Engineering; PE, Petroleum Engineering; ChE, Chemical Engineering; GE, Geological Engineering; EE, Electrical Engineering; Eph, Engineering Physics; ME, Mechanical Engineering; MnE, Mining Engineering; GnE, General Engineering; AE, Architectural Engineering; NGE, Natural Gas Engineering; MCE, Master in Civil Engineering (other master's degrees in similar style).
