

THE CAMPUS BUSINESS DISTRICT

invites you to attend the 1941

HOMECOMING

November 8

THE weekend of the Sooner-Iowa State football game is *the* weekend for O.U. alumni to come back to Norman to meet their Sooner friends, see a swell football game, and enjoy the Homecoming parade and numerous other special events of Homecoming Day.

The undersigned firms in the Campus Business District extend to you a special invitation to attend Homecoming this year. We hope you'll come back and enjoy the celebration to the fullest. Probably you spent a good deal of time in the Campus Business District when you were a student, and we'd be happy to have a chance to say "Howdy" when you come back for Homecoming.
