Dean Roy Gittinger's New Book

*The University of Oklahoma:*

A History of Fifty Years, 1892-1942

"... filled with personal references to students and faculty (Dean Gittinger probably knows more students and former students by name, and recognizes them at sight, than anyone else who has ever been connected with the school), and with human interest touches. It will be welcomed by the 80,000 alumni and former students, as well as by many others who realize the vital part the school has played in the history of Oklahoma."—Kenneth Kaufman in *The Daily Oklahoman*.

Printed in the University of Oklahoma Press's best tradition of fine book-making, *The University of Oklahoma* is lavishly illustrated—and beautifully decorated with colored initials and title page. This is a book for every University of Oklahoma graduate—a collector's item for a Sooner's bookshelf.

Mellow and amusing—filled with anecdote and human interest this book is the story of a great University, whose career parallels the rise of the state itself from territorial days to the Second World War.

"It tells a remarkable story."—THE NEW YORK SUN.

The University Press announced last month that the supply of Limited Editions was exhausted, but that copies of the Regular Edition still were available. Be sure to secure your copy while there is time.

Regular Edition, cloth binding . . . . \$2.50 per copy
