

Hi, Sooners -- on your 1942 Homecoming!

HERE'S GREETINGS and best wishes to you O.U. alumni and former students when you meet in the University of Oklahoma Fieldhouse November 14 for your Homecoming Rally. We think you deserve a hand for omitting the expensive features of the annual Homecoming Celebration, and concentrating on an old-fashioned, informal box lunch rally. And here's greetings, also, to the Sooners who stay at home this year and listen to the Homecoming Day features broadcast over WNAD.
