Fifty Years of Building Oklahoma

Dean Roy Gittinger's New Book The University of Oklahoma: A History of Fifty Years 1892-1942

"... filled with personal references to students and faculty (Dean Gittinger probably knows more students and former students by name, and recognizes them at sight, than anyone else who has ever been connected with the school), and with human interest touches. It will be welcomed by the 80,000 alumni and former students, as well as by many others who realize the vital part the school has played in the history of Oklahoma."—Kenneth Kaufman in *The Daily Oklahoman*.
