

It's time to order **SOONER FOOTBALL TICKETS**

4 Big Home Games

ON \$8.00 SEASON TICKET

Oct. 24—Nebraska

Nov. 7—Kansas State

Nov. 14—Missouri
(Homecoming)

Dec. 5—William and Mary

Orders are now being received for season tickets for the Sooner football team's fine home schedule. The \$8.00 season ticket is good for the Nebraska, Kansas State, Missouri and William and Mary games, and also entitles the holder to a copy of the official program at each game.

You'll want to see Coach Snorter Luster's tricky formations in their second season. Place ticket orders now to be sure of getting favorable seat locations in the Stadium. Judging from early sales, Sooner football fans are planning to be in Memorial Stadium at game time even if they have to walk!

Two Home Games With Stand-out Service Teams

Sept. 19—Georgia Naval Aviation School

Dec. 12—Keesler Field, Mississippi

Two games with outstanding service teams have been added to the Sooners' home schedule—too late to be included on the regular season ticket. However, purchasers of season tickets can reserve their

regular seats for the two service games by paying the regular reserved seat price of \$2.25 for each additional game at the same time they buy season tickets.

All this and Texas Too!

Oklahoma will play Texas at Dallas October 10. Tickets for the Dallas game are now available and the prices are: \$3.30 for boxes, \$2.50 for seats on

either side, and \$1.65 for end seats. Since the fair will not be held, persons wishing to buy end seats will avoid the usual fairgrounds admission fee.
