

Let's Do Our Part --- And More!

Alumni, Former Students, Sooners Everywhere:

The Year 1942 marks the Semicentennial of the University of Oklahoma. You can honor your school's Golden Anniversary by dedicating your efforts and thoughts and your influence to the early success of America in its war effort. We join with you in the sincere hope that, by our united efforts, the "Lights of Learning" in America shall never fade.
