

“
*S*ervice to the nation in peace and war”

Following the last World War a bronze and marble group was placed in the lobby of the American Telephone and Telegraph Company building in New York. On it are inscribed these words, “Service to the nation in peace and war.”

They are more than words. They are the very spirit of the entire Bell System organization. In these stirring days, we pledge ourselves again to the service of the nation . . . so that “Government of the people, by the people, for the people, shall not perish from the earth.”
