THE University of Oklahoma Hospital has been approved for a grant of Federal funds under the Lanham Act for the construction of an addition to the main building. This addition will provide space for eighty beds in the hospital for the care of colored patients in Oklahoma City.

A student council was recently organized at the School of Medicine. This council is composed of two elected members from each class. Dr. John W. Barnard, assistant professor of anatomy, will act as faculty adviser. The functions of the student council and the adviser shall be to discuss questions of policies and problems of mutual interest to students and faculty.

## Alumni

► Colonel Rex Bolend, commanding officer of the 21st Evacuation Hospital, was a recent visitor at the School of Medicine.
