*We're catching up
with those
telephone orders*

THE news is a lot better for every one who's been waiting for a telephone.

We've put in more than 500,000 telephones in three months—and they're going in faster every day.

But there are places where we have complicated switchboards to install—even places where we must build new buildings for the new switchboards. In those places it will take more time.

We're working hard on that job and aiming to give everybody quicker and better service than ever before.
