YOUR UNION
*Serving a Need
For Alumni
and
Students of O. U.*

Let's all go to the Union! Here's a place that has long been accepted as the recreational center of the campus by former and present-day students alike. But it has other numerous other facilities that are available to the sons and daughters of O. U. besides entertainment.

The Oklahoma Memorial Union building houses one of the most modern, up-to-date cafeterias in the state, for one thing. Breakfast, luncheon and dinner are served here six days a week. Then the fountain and coffee line are always open between meals for those who need additional refreshment throughout the day.

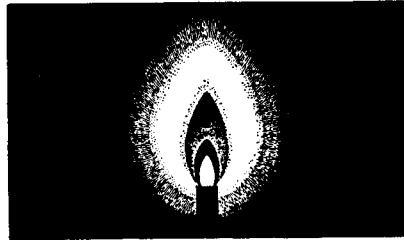

The Union also serves as a busy headquarters for such activities as the Y.M.C.A., Y.W.C.A., O. U. Student Senate, the University of Oklahoma Association, World War II Post (O. U. students only) of the American Legion, radio station WNAD, offices of the Counselor of Men and the Counselor of Women, Union Activities Board, Independent Men's Association, Association of Women Students, Interfraternity Council, Panhellenic Council and the University Placement Service.

So if you have a few spare hours to invest on the O. U. campus, meet your friends and associates for either business or pleasure in the Union.

There's More Behind Your Gas Flame Than Just a Well!

To assure the best gas service possible every day of the year, the Oklahoma Natural Gas Company is constantly searching for new gas fields, laying new lines, devoting much effort and time to research, and studying your needs to keep pace with the growing demands for natural gas.
