See O.U. Play Texas October 12 at Dallas

Although all season tickets are sold out, tickets for the Oklahoma-Texas game at Dallas are still available, and Business Manager William J. Cross promises the sale will continue as long as there are any tickets left.

Reserved seats for the O.U.-Texas Aggie game—as well as the three other home games with Kansas State, Missouri and Nebraska—are between the 20 and 25-yard line at both ends of the field.

Cost for all home-game tickets is \$2.75 each.
