

More Reunion Smiles

The *Sooner* photographer wasn't sleeping during the reunion of 11 O.U. graduating classes. Here's additional proof that she was kept plenty busy during the whole affair.

In the top picture the class of '17 is gathered around its table awaiting camera action. Seated at the left is Mrs. Frank R. Pauly of Tulsa. All beams is Josh Lee of Washington, D. C., and to his left is Aline P. Christian, Shawnee; Ralph Shead, Norman, and an unidentified celebrant. Standing at right is Eugenia Kaufman, Norman. Standing at the left is Frank Pauly. At his left are Lewis Morris, Oklahoma City; H. L. S. Halley, Tulsa; L. W. Kibler, Oklahoma City; Albert Clinkscales, Oklahoma City, and Mrs. L. W. Kibler.

2. Every living member of the class of '02 was present. From left to right, they are Clyde Bogle, Kate Barbour, Mrs. Florena W. Hadsell and Roy Gittinger, all of Norman.

3. All smiles are Errett Newby, Oklahoma City, and Floyd Swank (right), Norman, who represent the class of '07.

4. It's a heterogeneous huddle as Snorter Luster, a '22er, maps out a bit of strategy. Seated on his right are Dave Morris, Santa Monica, California, and Howard J. Holt, Oklahoma City, '21 and '14 respectively. It's Elmer Fraker, '20, Oklahoma City, on his left. Standing are, from left to right, Charles Memminger, '14, and Ruth Memminger, '20, Atoka; Joe Curtis, '22, Pauls Valley; Milt Phillips, '22, Seminole, and Lewis Morris, '17, Oklahoma City.
