"Dear Ted:

"I thought that I would let you know that I enjoyed wearing my cap and gown at the inauguration last spring of Chancellor Knight of Wesleyan University as the delegate of the University of Oklahoma. The excursion across town to the neighboring campus helped break the routine.

"It has occurred to me that my friends among the Sooner Alumni (I think I have some) might be interested in knowing that I have been chairman of the Department of Geography (University of Nebraska, Lincoln) since September 1, 1946.

"I have seen some of the O. U. representatives who visit Lincoln, but my chief contact with the home school has been through the Alumni Magazine, which continues to impress me as a good job. "Cordially yours, Leslie Hewes" ('28ba)
