Jim Nance, state senator and editor-publisher of the *Purcell Register*, recently praised the appointment of Dr. Fayette Copeland, '19ba, as the new director of the O. U. School of Journalism. The portion of his editorial column devoted to Dr. Copeland follows:

"The newly appointed director of journalism at Oklahoma University is the ideal choice to give that school new leadership and spirit. Fayette Copeland, the new director, has risen from the ranks in journalism in Oklahoma. He has worked in the school and in public relations many years. And above all he knows Oklahoma, Oklahoma newspapers and Oklahoma journalism. As a writer, author and newspaperman he is a man of letters. He has all the ability and experience that will be needed to make O. U. the outstanding School of Journalism. Mr. Copeland announced immediately after appointment that top-flight newspapermen and radio newscasters would be added to the faculty from time to time to give the journalism student the last minute picture and advancement in every field of news writing, broadcasting and advertising.

"No state may pride itself on a greater number of outstanding newspapermen and women. Oklahoma trained newspapermen and women are working in newspapers and publishing houses in every state. Oklahoma newspapermen know the newspaper business. They are leaders in that field. They will help Fayette Copeland build a practical and forward-looking School of Journalism at Norman."

~1920~
