The traditional Union Christmas party for Union employees was held December 19 in the Union cafeteria. Sponsored by the staff, the employees exchanged roles with their bosses. They were the guests and the staff served.

More than 100 people enjoyed the turkey dinner. It was the last time such a party would be held in the old Union.

Next year, the party will be held in a beautiful new building. And that was the optimistic view the Union held for the new year. Sometime in the early summer, the building would be complete. 1951 held promise of being a fruitful year.
