Never Before Such Solid Support

Never before had the Alumni Development Fund received such solid support from alumni and friends of the University. For the period from January 1 to June 15, 1951, contributions totaled more than \$10,000 from some 700 individual donors and organizations.

It would seem the time was ripe for optimism. Contributions and number of contributors were topping every preceding 6-month period. Yet a realistic view would show that for every \$1 given 10 and more were needed; for every contributor, a like increase. Scholarship and project funds were only a smattering of those actually needed.

Somewhere between optimism and pessimism, fund workers—organized alumni clubs, individual alumni, friends of the Uni-

versity and the Fund Board of Trustees—thought they saw encouraging signs emerge during the past six months.

The reasons: 1) more alumni clubs were accepting shares in the corporation to build a better University through additional services, and a better student body through scholarships; 2) individual alumni were recognizing the need for financial support of projects that could not be obtained through state funds.

If the signs were right, 1951-52 should show a further Fund expansion.

Listed below are the names of individual contributors to the Fund from January 1 to June 15. (Contributors from July 1 to January 1 were previously published in the magazine and are not included.)

Hal Muldrow, Sr., is Dead

A trusted friend of the University died May 16 in Norman Municipal Hospital. Although never a student at O.U. himself, H. L. Muldrow, Sr., sent his four children through the University and contributed his own time and energies toward making the state school a better place for education.

Muldrow had been ill for several months prior to his death. At the time of his illness he was associated with the insurance business in Norman.

His accomplishments were many. Probably the most outstanding association Muldrow maintained with the University was with the Dads' Association. When the organization was founded in 1925, Muldrow was elected secretary, a post he relinquished in 1944 to become president of the organization.

Muldrow served as a member of the University Board of Regents for four years and as president for two. An outstanding Masonic leader, he conceived the plan for Whitehand Hall which was built originally as a Masonic dormitory.

He is survived by his wife of the home, three sons, Hal, Jr., '28bus, a brigadier general with the 45th Division, Fisher, '22, Seminole, Alvan M., '33Law, Brownfield, Texas, and a daughter, Mrs. Mattie Muldrow Reistle, '22, Houston. In addition he is survived by eight grandchildren and three great-grandchildren.

He is seen below in a picture taken at last year's Dads' Day. With him is Emil Kraettle, '18, secretary of the University and

present secretary of the Dads'. They are the only two men to ever hold the secretaryship.
