# OKLAHOMA MEMORIAL UNION'S SOMETHING TO CROW ABOUT!

The Union is finished. We think it's truly something to crow about . . . and you will too! Remodeling and adding on to an older structure requires expert engineering and construction skill. We can't help being proud that Manhattan was able to build your Student Union into everything a great school like The University of Oklahoma should have for the leisure activities of its students. Manhattan can always be counted on to furnish construction know-how . . . the reason why Manhattan consistently builds the Southwest's finest buildings.
