## Executive Board Candidates

**Fifteen men and women have been nominated for membership on the Alumni Association's Executive Board. Five will be elected. Read sketches and then use the ballot on page 1.**

Candidates to fill five district posts on the Executive Board of the Alumni Association were chosen by a nominating committee of outstanding alumni at a special committee meeting March 26. The Board members that are to be elected this year will be

from Districts I, III, V, VI and VIII. All are to be elected for a 3-year term.

As has been the custom, three nominees from each district were nominated by the committee. Every member of the Alumni Association has one vote per district in de-

terminating the new members of the Executive Board. The official ballot is printed on page 1 and all ballots must be postmarked not later than May 15 to be counted.

Nominees from District I include O. B. Campbell, '24ba, Vinita, T. E. Weirich, '22bs, Bartlesville and Judge Royce Savage, '25ba, '27Law, Tulsa.

Campbell is editor and publisher of the *Vinita Daily Journal* and *Vinita Leader*. An active and live wire newspaperman, he has held committee posts in the Oklahoma Press Association. Campbell is particularly proud of his work in scouting. He is a member of the Executive Board of the Cherokee Area Boy Scout Council and is a holder of its Silver Beaver award.

T. E. Weirich is director of regional research geology for the Phillips Petroleum Company in Bartlesville. Instrumental in promoting the O.U. Alumni Club in Washington County, Weirich has served in several official capacities for the club.

District III candidates for membership on the Executive Board follow the pattern of candidates for all the other districts—they are successful men (or women) who have contributed a great deal of time and energies to the Association and to the University.

Rhys Evans, '36bs, '39Law, Ardmore, James C. Hamill, '36Law, Madill, and Lloyd Puckett, '37bs, McAlester, represent District III.

Hamill is likewise an attorney with a fine list of University achievements. He was vice president of the Class of 1932 and president of his freshman law class in 1933. Hamill has previously been a member of the Executive Board and has helped stimulate activity in the Marshall County Alumni Club.

Puckett is a food broker in McAlester's H. R. Brown Brokerage Company. He manages the Company. Puckett is president of the Rotary Club in McAlester and is president of the Pittsburg County Alumni Club.

## —CLUB REPORTS—

### Philadelphia Organizes

Alumni clubs in three major cities of the U. S. wound up the winter club season with a slam-bang effort. Two of the three were organizing clubs and the third gave a gala going away party for one of its members.

"Interested University of Oklahoma Alumni, gathered . . . at the invitation of Miss Marjorie McKaig, '50Lib.sci, for the occasion of a tea and a meeting to discuss establishing an active chapter of the University of Oklahoma Association for Philadelphia and vicinity . . ." the quote is from the minutes of the club's meeting and forwarded by club secretary Miss McKaig.

Action was taken at the meeting to organize a permanent club and an application for charter was forwarded to the Alumni Office. Dr. Elden S. Magaw, '28ba, '31Law, assistant dean of the Temple Law School, presided at the business meeting.

Temporary officers were chosen to serve until a regular business meeting in October when yearly elections are scheduled. Those named for the interim were Dr. Magaw, president, Joseph W. Bird, '27ma, vice president and Miss McKaig.

Regular meetings of the club were selected as the last Sundays in June and October. Additional meetings will be held at the call of the president.

The 1952 June meeting will be held in the home of Paul D. Barton, '19bs, and Mrs. Rosetta Briegel Barton, '15ba, '16ma. Mrs. Audine Drew Prewitt, '28ed, and Mrs. Mildred Holloway Magaw, '35ba, were selected as hostesses for the meeting.

Another club that met for the first time was the Indianapolis group. Held March 18 in the Hotel Antlers in downtown Indianapolis, the alumni organized their club and submitted an application for charter.

Officers elected were Sam M. Austin, '50-eng, president, Martin A. Missbach, '50eng, vice president, and Mrs. Marilla T. Missbach, '49-'50, secretary-treasurer.

The Washington, D. C., alumni club held a party in February and named the

date for their spring banquet. The date is set for the 10th of May.

The following report was received from club officials:

"Despite torrential rains . . . well over 50 members of the O.U. alumni club . . . bid farewell to Clee, '49ba, '51Law, and Jennie Locke Fitzgerald, '40ba, '41Lib.sci, February 6 at a 'surprise' party in their honor at the Arlington, Virginia, home of Col. John Embry, '27Law, and Mrs. Embry. . . .

"The committee planning the party, besides the Embrys, included Jim Woodward, '48ba, Mrs. Mary Wingate Bergquist, '48ba, Lewis Demand, '48ba, William L. Cooper, '49journal, and Don A. Eaton, '47-'49.

"Fitzgerald, who has been administrative assistant to Senator A. S. "Mike" Monroney, '24ba, since his election to the senate, resigned effective March 1 to enter the newly formed law office of Fitzgerald and (Preston) Moore, '50Law, in Stillwater. At O.U., among his many activities, Fitzgerald was athletic ticket manager and his wife Jenny worked in the library."

## Sports . . .

Another NCAA defending champ, the baseball team, was not happy to be duplicating its feats of a year ago. Last year the team lost its first six games but did an about face to be the best in the country.

The 1951 entry won the title on the strength of fine pitching. The 1952 squad has dropped its first four games in a row.

Unlike last year, and the reason for pessimism, the team does not have the same high-quality, front-line pitching staff. If they are to cause more than a ripple in the collegiate baseball sea this season, at least one of the team's young pitchers will need to produce.

Oklahoma's advance football ticket sale opened April 1. Season tickets for the four Owen Field games here with Pittsburgh, Kansas State (Band Day), Missouri (Dad's Day), and Nebraska (Homecoming) went on sale then according to Kenneth Farris, business manager of athletics. The price is \$14 plus a 25-cent handling charge for each order. Last year 14,960 season tickets were sold, an all-time record at Norman.

"Ninety per cent of them had been re-ordered by our December 3 deadline," said Farris. "However, we still have plenty of season tickets left for fans who didn't buy them last year and consequently didn't qualify for our early re-order privilege."

A 20,000-piece mailing went out in late March to all priority groups, Farris said.

Oklahoma meets Notre Dame November 8 at South Bend, Indiana, and because of the wide demand from Sooner followers, orders for this game will be filled on a strict priority basis as follows: (1) season ticket holders, (2) varsity lettermen, (3) paid alumni members. There is a limit of two tickets per customer and the price per ticket is \$4.80, plus a 25-cent handling charge for each order.

"We doubt if we will receive enough Notre Dame tickets to accommodate all our

priority patrons, consequently orders will be filled in order of the date they are received," said Farris. "We regret that there is no hope for a customer who doesn't fall in one of these three priorities unless, of course, he wants to buy season tickets to our 1952 home games, now on sale."

Priority groups for the Texas-Oklahoma game October 11 at Dallas are (1) season ticket holders, (2) 1951 Texas game ticket purchasers, (3) varsity lettermen, (4) paid alumni members. The price is \$4 with a 25-cent per order handling charges. New orders will be limited to two tickets each. And it is possible that all the priority groups can not be accommodated.

"If a patron within a priority group has his order rejected, we hope he will understand that it is because we do not receive enough tickets to fill all priority requests."

Farris pointed out that separate checks are required for each of the Notre Dame and Texas games.

Single game reserved seats for Oklahoma's four home games at \$3.50 each plus the 25-cent per order handling charge and single game reservations for Oklahoma's road games at Colorado, Kansas, Iowa State and Oklahoma A&M, also at \$3.50 each plus the 25-cent per order handling charge also went on sale April 1.

Oklahoma's 1952 football schedule:

Sept. 27 Colorado at Boulder.

Oct. 4 Pittsburgh at Norman.

Oct. 11 Texas at Dallas.

Oct. 18. Kansas at Lawrence.

Oct. 25 Kansas State at Norman (Band Day).

Nov. 1 Iowa State at Ames.

Nov. 8 Notre Dame at Notre Dame.

Nov. 15 Missouri at Norman (Dad's Day).

Nov. 22 Nebraska at Norman (Homecoming).

Nov. 29 Oklahoma A&M at Stillwater.

## LAW DAY

O.U.'s Law Day, scheduled for May 8, will be highlighted by the appearance of New Zealand's ambassador to the U. S., Leslie K. Munro. He will deliver the principal address. Advance reservations are being urged for all out-of-town lawyers. They can be made through John B. Freeman, Director of Short Courses, University of Oklahoma, Norman.
