

## Worthal Comes to Life

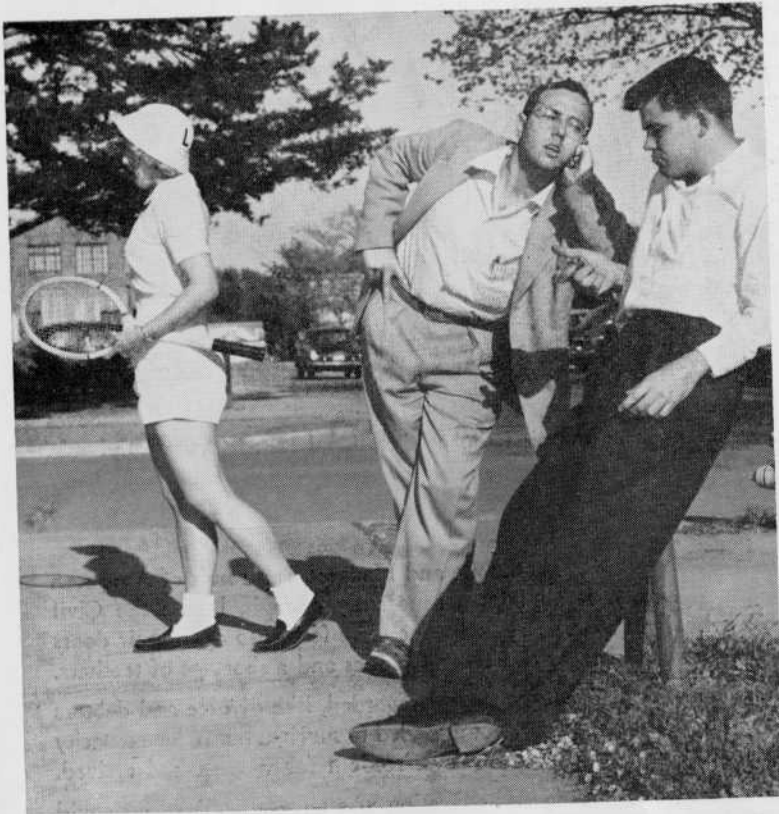

"Copy this one, Miss Slerp. It's a sub-foot note 'B' under footnote No. 4—Make it a discussion question worth 20 points."

"It's nothing, really—I gave them 100 multiple-choice questions—but none of the answers are right."

"Was she pretty?"

"Well, then, if yer not typin' crib notes, I've plenty of typing paper yer welcome to use."

"Were you chewing gum?"

"We did pretty well on this cuff with the Physics' course, but I'm afraid yer stuck with the 'American Revolution' on the other."
