A CLOSING NOTE: *The Oklahoma Quarterly*, as a special section of *Sooner Magazine*, will be discontinued with this issue. It is with regret that the editors make this announcement.

The *Quarterly* was established in October, 1951, and with this issue completes its 5th year of publication. We believe the *Quarterly* has been an outstanding success. Articles appearing in the *Quarterly* have been stimulating and many have been reprinted in other publications.

The man who is responsible primarily for the quality of the *Quarterly* is its editor, L. N. "Fess" Morgan. With professional skill, patience and dedication, he made it the success that it is. The Alumni Association and the faculty are indebted to "Fess" for his contributions.

The *Quarterly* was not designed originally to remain a part of *Sooner Magazine*, but to be issued in that form until adequate support could be arranged for a separate publication. The quality of its content has proved beyond a doubt that the University of Oklahoma should have a regular journal of this type. I sincerely hope the Alumni Association may soon be able to support the *Quarterly* as a separate literary and educational publication.
