

A Voice of Experience behind the "Voice with a Smile"

Day and night in your telephone company central office there are courteous, efficient women like Jean Bullene to help handle any unusual situation, and make sure your calls go through quickly and easily.

Know-how and team spirit make Jean (Mrs. Jack) Bullene well suited for her responsible job.

She helps train new telephone operators and is ready with immediate answers to any questions that arise in connection with the many local and long distance calls that go through each day.

She's a Voice of Experience behind the Voice with a Smile.

"I love this work," says Jean, "because I get a real feeling that I'm helping people in a very personal way. I know how important their telephone messages are and I'm proud to have a hand in keeping my neighbors in touch with family and friends here in Garden Grove and out of town."

Jean combines her telephone company work with a neighborly role in the life of her community. She has often observed that the spirit of service in the telephone company is contagious. And her many off-duty activities bear this out. When she's not busy with music, gardening and remodeling her attractive home, she pitches in on Cub Scout work.

As you can well imagine, Jean never has time to be lonely. But on the subject of loneliness she has this to say: "No one ever needs to be alone when there's a telephone handy. It's so easy to keep in touch with your neighbors or friends who are miles away."
