

# ROLL CALL

of Alumni Newsmakers

GOLDEN DAYS—Photographs from the Roy E. Heffner Collection: This picture is a year-end bonus. There's no question but what this old-clothes buyer is Morris Tennenbaum. No alum, but probably known to more alums than most campus personalities, Morris was a favorite subject of Heffner's.

Captain Bob Fields

## “--and now a jolly song or two!”

Bob Fields, who was the unidentified letterman in last month's Roy E. Heffner photograph, evidently had a smile that was as well-known as it was big. A great many alumni took time out to write in and tell the SOONER's editor that Bob Fields of Ponca City was the man to look for.

It was at once a big help and no help at all. There is no Bob Fields in Ponca City. Finally, with the help of Guthrie Postmaster Lorraine S. Fogarty, '31bs, and a couple of Fields' in-laws, we located Bob Fields in Liberal, Kansas.

Fields is working there as a land agent for Colorado Interstate Co. He took the job in 1955 after working in Ponca City as partner in a sporting goods store and as manager of an ice plant. His wife is the former Lucille Cragin, a Kappa Kappa Gamma and an arts and science major when she attended O.U. They have one son, Dennis, who is thirteen. Dennis already holds two football letters. Like his dad, he plays center.

Mr. Wilkinson is hereby alerted. Like father like son; and the Bob Fields who captained O.U.'s 1930 team was a well-remembered center.
