

BOOKS WORTH KEEPING

Published by UNIVERSITY OF OKLAHOMA PRESS

THE OIL CENTURY

From the Drake Well to the Conservation Era

By J. Stanley Clark. A history of the oil industry and the transformation of American life it has brought about during the past hundred years, with emphasis on the evolution of production techniques from rank waste to sensible conservation. "It is packed with information that every citizen should know, and its story is told with gusto."—*The Dallas Morning News*.

Book 1: 302 pages, illustrated: \$3.95

THE AZTECS

People of the Sun

By Alfonso Caso. Truly one of the most beautiful books ever published, with forty-two illustrations in color by Miguel Covarrubias, *The Aztecs* is the authoritative account of a unique way of life. English translation by Lowell Dunham, chairman of the department of modern languages, University of Oklahoma.

Book 2: 144 pages, illustrated: \$7.95

OKLAHOMA: A History of the Sooner State

By Edwin C. McReynolds. For all native Oklahomans—and others, too—who want to know more about the Sooner state—from Coronado's adventures through Indian territory days, statehood, and the development of Oklahoma's industries, agriculture, and natural resources.

Book 3: 473 pages, illustrated: \$4.95

THE FEATURE WRITER'S HANDBOOK

By Stewart Harral, *With a Treasury of 2,000 Tested Ideas for Newspapers, Magazines, Radio, and Television*. One of Soonerland's most successful journalists is the author of this valuable book for the professional writer and the novice—devices that make copy click; techniques of interviewing; tips on titles; advice from the experts; and much more.

Book 4: 355 pages, illustrated: \$5.00

A Guide to the INDIAN TRIBES OF OKLAHOMA

By Muriel H. Wright. The only encyclopedic treatment of Oklahoma's sixty-seven Indian tribes, containing a wealth of information: origin of tribal names, linguistic stock, physical characteristics, present location, numbers, history, government and organization, contemporary life and culture, and ceremonials.

Book 5: 318 pages, illustrated: \$5.00

OKLAHOMA: A Guide to the Sooner State

Compiled by Kent Ruth and the Staff of the University of Oklahoma Press. No state among the 49 states has a more complete and up-to-date index than the "Oklahoma Guide" recently reissued. "As a guide to a state which has more than its share of beauty, as a history or a work of art, this book is invaluable."—*The Detroit, Mich., News*.

Book 6: 568 pages, illustrated: \$5.95

OIL WELL DRILLING TECHNOLOGY

By Arthur W. McCray and Frank W. Cole. Now—at long last—the petroleum industry has a much-needed up-to-date book on the techniques of oil well drilling. It is the product of extensive research and practical investigation by the authors (both members of the O. U. petroleum engineering faculty) and has been compiled with the assistance of the American Association of Oilwell Drilling Contractors.

Book 7: 520 pages, illustrated: \$9.95
