

*Congratulations O.U. Engineers!*

*. . . . from the builders of today--*

*. . . . to the builders of tomorrow.*

Yes, from BUILDERS CONSTRUCTION COMPANY . . . to the O U ENGINEERS, we say Congratulations! And just the same as we know the O. U. Engineers have accomplishments and traditions to be proud of . . . we at BUILDERS CONSTRUCTION have achievements to be proud of. Pictured above is the newly completed Womens Dormitory, Builders' latest OU project! Also on our list of accomplishments are the new Journalism Building, the addition to the Library, the Education Building, and many other beautiful University buildings.
