

**LOADS
OF
SAVINGS** *with GAS clothes drying*

Every load of fluffy, white clothes that you remove from a new automatic gas clothes dryer saves you money! A gas clothes dryer is **NINE TIMES CHEAPER** to operate than an electric dryer — or a savings of \$24.00 every year. See your gas dryer dealer now while he is allowing up to 42 months to pay!

Over a twenty year mortgage period, economical gas appliances save you \$5,121.00 in operating costs alone compared to electric equipment—regardless of any special electric rate!

SAVE \$5,121.00 WITH AN ALL-GAS HOME!
