### *on the cover*

The world grows smaller as man's understanding of it grows larger, and the increasing number of foreign students in our colleges contributes to that understanding. See *OU's Four Hundred*, page 4, and *Problems and Potential*, page 6. Cover design is by Jim Billingsley

◻ With enrollment up, more have to sit down, and the two men in the picture at left are ready to do their part to solve the seating explosion. These new chairs, sans carving, are about to fill the new lecture rooms in the business building addition. Other chairs have been ordered for the new Engineering Center, due to be completed by next fall, and for the drama building in the Fine Arts Center, which will be ready in the spring.
