*Congratulations O.U. On Your
75th Anniversary, from*

HARMON CONSTRUCTION COMPANY, Inc.

We at Harmon are happy to have played such an important part in your growth of physical plant. The new ENGINEERING CENTER is six stories and now in use. There are 312 MARRIED STUDENT'S APARTMENTS ready for use this fall. THE TOWERS are four 12-story units accommodating 1,000 students connected at ground level by a central cafeteria. BOTANY AND MICROBIOLOGY BUILDING contains classroom and laboratory space on nine floors.
