

On Sunday, February 16, we were the guests of the management of the Macomb Theatre in Mt. Clemens and Mr. Bill Nelem, to see, hear and play the 3/9 Kilgen. Upon entering the theatre, we were most surprised to hear music pouring forth, which we soon discovered to be a Wurlitzer Model 153 band organ of 11 ranks and percussions, one of many which have been restored by Bill Nelem.

Our organist for the morning was

Lee Hohner, one of Detroit's most familiar organists, who opened his program with *The American Legion March*. Among the morning's selections were a medley from *Showboat*, and one from the movie *Song Of Norway*.

We wish to thank not only Motor City Chapter for inviting us to their Second Sunday program, but, Bill Nelem and the Macomb Theatre as well. □
